

EYEMOUTH HARBOUR

LOCAL NOTICE TO MARINERS No.5 of 2026

Date of Issue: 15 of May 2026

All Harbour Users and Vessel Owners are advised that a quayside bathymetric survey of the quay walls will be undertaken from 19th June through to 21st June.

During this period, vessels will be required to move from the quay wall for short periods to allow the Harbour Authority to complete a full survey of harbour infrastructure.

Detailed plans and schedules will be circulated prior to the commencement of works to ensure Harbour Users are aware of any required vessel movements and operational restrictions.

Mariners are advised that restrictions to vessel movements may be in place throughout the survey period and are requested to always navigate with caution. Further directions and notices will be issued as required.

By order of the Harbour Master

Brendan Bates

Eyemouth Harbour Trust
