

EYEMOUTH HARBOUR

SCOTLAND'S FIRST PORT OF CALL

SERVICING THE FISHING INDUSTRY

Featuring the largest and most secure harbour in the area, Eyemouth harbour is uniquely positioned and offers unrivalled access from sea and land.

ACCESS

Just 5nm from the local fishing grounds and 36nm from the Farne Deeps.

- Safe harbour of refuge
- 24-hour, lock free access to berthing facilities - subject to tidal restrictions
- Direct harbour access road - avoids the busy town centre

FACILITIES

Eyemouth offers all the support services associated with a good-sized working harbour, with a broad and well-trained skills base and excellent facilities:

- Boat builders - for new vessels, servicing & repairs
- Fish / Shellfish merchants & processors in the town
- Marine & electrical engineers
- Accommodation and training facilities
- Fuel facility
- Chandlery
- Maintenance yard
- Grid and slipway facilities
- Davit Crane - 250kg capacity

BERTHING & LANDING DUES

- Annual, seasonal or monthly composite rates available.
- Landing dues @ 2.5% (conditions apply)
