

PROJECT	Operations and Maintenance Base – Enabling Works
BACKGROUND	<p>Eyemouth Harbour Trust’s bid to EDF Renewables Ltd in summer 2019 was successful and Eyemouth was selected as the future Operations & Maintenance (O&M) base for the NnG offshore wind project. From spring 2020 to early 2021 a series of enabling works were carried out in preparation for the site handover in February 2021.</p> <p>Enabling works, carried out on:</p> <ul style="list-style-type: none"> • New fishermen’s storage yard, relocated from Smeaton’s Yard to Gunsgreenhill. • Installation of a new fuel facility and port waste reception area. • Relocation of electrical sub-station serving quayside shore power. • Relocation of dive shore access road was carried out throughout 2020 and early 2021. <p>Additionally, the NnG Construction Team Marine Co-ordination Unit took up occupation of the former dive centre on the ground floor of the harbour building in December 2019 for the duration of the construction and commissioning of the wind farm (approx. 3 years).</p> <p>Find out more about the deal via the link below. 25-year lease signals green light for NnG’s new O&M base in Eyemouth - NNG Offshore Wind</p>
CURRENT STATUS	All works complete
PROJECT COST	<p>Works were funded by Scottish Borders Council Eyemouth Regeneration Fund [£415k], with latter resurfacing works at the yard (concrete) funded in March 2021 by Marine Scotland Maritime Fisheries Fund (£25k) and South of Scotland Enterprise (£15k).</p> <p>The works were project managed by externally funded Community Enterprise Support Manager (CESM) through the South of Scotland Economic Partnership.</p> <div style="display: flex; justify-content: space-around; align-items: center;">     </div>
PROGRESS TO DATE	All projects complete April 2021
