

EYEMOUTH HARBOUR

LOCAL NOTICE TO MAINERS No.5 of 2025

Date of issue: 02/05/2025

Refuelling Station

The Eyemouth Harbour refuelling facility will be undergoing essential replacement works from the 6th to the 7th of May, inclusive. This necessary maintenance will unfortunately result in the complete unavailability of fuel via the main tank during this period.

The work is critical to ensure the long-term reliability, safety, and efficiency of the refuelling system. Our team is committed to completing these replacements as swiftly and effectively as possible. We anticipate that normal fuel services will resume in full on the 8th of May.

Vessel are recommended to fill up on the Monday if required.

Thank you for your cooperation and attention to this matter.

By order of the Harbour Master

Brendan Bates

Eyemouth Harbour Trust
